Multiple Choice questions

TOPIC: POETRY COMPREHENSION

Read the following poem carefully and answer the below questions by choosing the correct option:

SYMPATHY

I lay in sorrow, in deep distress;
My grief a proud man heard;
His looks were cold, he gave me gold,
But not a kindly word

My sorrow passed – I paid him back
The gold he gave to me;
Then stood erect and spoke my thanks
And blessed his charity.

I lay in want, and grief and pain;
A poor man passed my way,
He bound my head, he gave me bread,
He watched me night and day.

How shall I pay him back again
For all he did to me?
Oh, gold is great, but greater far
Is heavenly sympathy.
