Multiple Choice questions

TOPIC: UNSEEN PASSAGE

Read the passage and choose the correct answer from the options.

Sarojini Naidu was educated in her early years under her father's own care. He wanted her to become a great mathematician or scientist but she loved to dream and write poems. She was hardly eleven when she wrote her first poem.

At thirteen she wrote a long poem in the manner of famous English poets. After her matriculation in India she went to England for higher education in London. She met Sir Edmund a distinguished man of letters. He was impressed by her knowledge and intelligent. He was surprised to see that she had written poems in flawless English but felt disappointed to find that they had nothing of the East in them. They were all about English sights from this day onwards; she devoted herself to writing verses about India.
